8     When modifications in these permits or certificates have been initiated by the Board, the fee for  
9     the modified permit or certificate shall not exceed seventy-five percent of the maximum amount  
10    established by this subsection. ~~Payments for the costs of processing applications by the~~  
11    ~~Department of Game and Inland Fisheries and the Department of Conservation and Recreation~~  
12    ~~shall be limited to the lesser of twenty five percent of the fees prescribed by regulation or \$100~~  
13    ~~per permit or certificate and shall further be limited to those permits or certificates these agencies~~  
14    ~~are required to review by the Code of Virginia.~~

15    C. When promulgating regulations establishing permit fees, the Board shall take into account the  
16    permit fees charged in neighboring states and the importance of not placing existing or  
17    prospective industries in the Commonwealth at a competitive disadvantage.

18    D. Beginning January 1, 1998, and January 1 of every even-numbered year thereafter, the Board  
19    shall make a report on the implementation of the water permit program to the Senate Committee  
20    on Agriculture, Conservation and Natural Resources, the Senate Committee on Finance, the  
21    House Committee on Appropriations, the House Committee on Conservation and Natural  
22    Resources and the House Committee on Finance. The report shall include the following: (i) the  
23    total costs, both direct and indirect, including the costs of overhead, water quality planning,  
24    water quality assessment, operations coordination, and surface water and ground water  
25    investigations, (ii) the total fees collected by permit category, (iii) the amount of general funds  
26    allocated to the Board, (iv) the amount of federal funds received, (v) the Board's use of the fees,  
27    the general funds, and the federal funds, (vi) the number of permit applications received by  
28    category, (vii) the number of permits issued by category, (viii) the progress in eliminating permit  
29    backlogs, and (ix) the timeliness of permit processing, ~~and (x) the direct and indirect costs to~~  
30    ~~neighboring states of administering their water permit programs, including what activities each~~

1 ~~state categorizes as direct and indirect costs, and the fees charged to the permit holders and~~  
2 ~~applicants.~~

3 In addition, the 1998 report shall include an analysis and estimate of the annual costs to permit  
4 holders and permit applicants if the direct and indirect costs of administering the water permit  
5 program were to be apportioned in a manner that would require the permit holders and applicants  
6 to pay fifty, seventy-five, and one hundred percent of the program's total cost through annual  
7 permit fees. The Department shall propose how the following factors could be used to adjust  
8 individual permit fees: (i) the average time and complexity of processing a permit in each of the  
9 various categories of permits and permit actions, (ii) the permit holder's compliance history, (iii)  
10 whether the permit holder has implemented pollution prevention plans, (iv) whether the applicant  
11 or permit holder has used innovative technology and (v) the financial hardship of the applicant or  
12 permit holder.

13 E. Fees collected pursuant to this section shall not supplant or reduce in any way the general fund  
14 appropriation to the Board.

15 F. Permit fee schedules shall apply to permit programs in existence on July 1, 1992, any  
16 additional permits which may be required by the federal government and administered by the  
17 Board, or any new permit required pursuant to any law of the Commonwealth.

18 G. The Board is authorized to promulgate regulations establishing a schedule of reduced permit  
19 fees for facilities which have established a record of compliance with the terms and requirements  
20 of their permits. The Board shall also establish criteria to provide reductions to fee amounts  
21 based upon acceptance into the Department's programs for environmental excellence.

22 H. The Board may periodically adjust fee amounts based upon changes in the Consumer Price  
23 Index, using calendar year 2004 as the base year.

24 I. The adoption of such permit fee regulations shall be exempt from Article 2 of Chapter 40 of  
25 Title 2.2 (The Administrative Process Act). The Department shall provide notice and an  
26 opportunity for public comment prior to the adoption or amendment of any fee schedule.
